

First Annual Going Green & Code Update Expo

The St. Mary's County Metropolitan Commission will be participating at the First Annual Going Green & Code Update Expo sponsored by the St. Mary's County Fuel and Gas Board. The Expo will be held at the Dr. James A. Forrest Career & Technology Center, 24005 Point Lookout Road, Leonardtown, MD, on Wednesday October 8th, 2008 from 6:00 to 8:00 PM. Representatives from MetCom will be available to discuss water saving practices as well as answer any questions on local water and sewer activities.
