## St. Mary's County Metropolitan Commission

43990 Commerce Avenue, Hollywood, Maryland 20636

Serving St. Mary's County  
Potable Water Distribution - Wastewater Collection / Treatment

Phone: 301-373-4733  
FAX: 301-373-4822

**Date:** April 2, 2009  
**To:** Affected Property Owners  
**From:** St. Mary's County Metropolitan Commission  
**Re:** **Piney Point Sewer Rehabilitation**

Dear Property Owner:

The St. Mary's County Metropolitan Commission will be starting work for the Piney Point Rehabilitation Project. The project serves to rehabilitate a gravity sewer system which was originally installed in the 1940's. The clay pipe collection system has been proven to contribute high amounts of infiltration and inflow during times of excessive precipitation.

We expect the first phase of the project to commence in your area on **Monday, April 13, 2009** and end on or about **Monday, April 20, 2009, including Saturday, April 18<sup>th</sup>**. Work on this project will occur between the hours of **7:00am and 7:00pm**. This phase of the project involves cleaning the sewer mains with pressurized water and completing a video inspection which will be used to assemble a course of action for rehabilitation efforts. Further notification will be issued at the beginning of the next phase.

Thank you for your cooperation and assistance during this time. We regret any inconvenience this construction may cause and look forward to providing the most efficient, safe and affordable service possible to all our customers.

If you have any questions, please call David Masteller, Assistant Engineer at 301-373-4733, ext 208, or refer to our website at [www.metcom.org](http://www.metcom.org) for changes to the schedule.

Sincerely,

David Masteller, Assistant Engineer  
St. Mary's County Metropolitan Commission
